Local Ingredients, Native Seafood, Sustainable Menus

Located in quaint Harwich Port, Cape Sea Grille offers the freshest creative American cuisine.

Nestled on a side street just off Route 28 in Harwich Port, the Cape Sea Grille is a favorite dining destination for residents of the Mid-Cape and visitors to the area. Chef/owners Douglas Bartner (inside) and Jon Chaisson (right) have been in the heart of Cape Cod and New England for years.

Situated in a split century-old captain's home just a few minutes from the beach, the restaurant's cozy dining rooms and intimate atmosphere with antique accents, local artwork and fresh flowers on every table and bar offers an ambiance to the glass and old tradition.
